

## About JGS

JGS Health Care is one of the fastest growing Indian Consumer goods company with interests in Health Care, Personal Care, Ayurvedic Specialties, Food and Other products. From Its humble beginning in the by lanes of Bandikui way back in 2009 as an Ayurvedic medicine company, JGS Health Care has come a long way today to become a fastest growing consumer products manufacturer in India.

We have been dedicated to providing nature-based solutions for a healthy and holistic lifestyle, manufactured using modern techniques and continual improvement in the quality management. Quality is given utmost importance at our organization, which makes us a reliable name amongst our consumers. Our medicines are highly effective in the treatment of various ailments and we strictly adhere to quality control measures.

We also make sure that our Ayurvedic medicines are highly effective and safe to use with no side effects.

Our greatest strengths have been the research, study and innovation based breakthroughs in Contemporary sciences and healing. The Company is focused mainly on quality control and product development.

Through our comprehensive range of products, we touch the lives of all consumers, in all age groups, across all social boundaries. And this legacy has helped us develop a bond of trust with our consumers. That guarantees you the best in all products carrying the JGS Health Care name.
